the knowledge that your support...

- Enhances our grant-making potential for local community groups to present art and cultural events like *Arts in the Park*, *Music On Main Street*, *SVAN Song Sundays*, and many more.
- Increases our ability to fund additional Individual Artist Grants.
- Allows us to continue to offer low or no cost art instruction and workshops for children, seniors, and everyone in between!
- Provides us with the means to help make art and arts education accessible for all, through our gallery programs, classes, and seminars.
- Conveys **your** commitment to the arts and culture of our region.
- Is used wisely and in a responsible manner.

The Tri-County Arts Council is **your** regional arts service organization - helping to meet the need for art in our communities. Of course, you always need to make the most of every dollar, which is why membership in TCAC comes at a rate you can afford and benefits beyond the value of money.
